Paragraph 12, page 3 of 3 (15.05.19)

DALLINGTON PARISH COUNCIL

Dallington Parish Council welcomes and values the work of local voluntary groups and organisations and consider it a paramount duty to support these local groups and organisations. We will include in our annual budget an amount to be awarded in grants to local organisations and groups which contribute to the welfare of the community by improving or supporting activities/facilities. Applicants must be able to demonstrate a clear need for financial support.

Any organisation applying for a grant from the Parish Council must be able to show that its activities provide a service for and/or bring about an improvement in the quality of life or the environment for residents of the parish.

The Parish Council may consider awarding a grant to organisations based outside the parish if it can be shown that residents of the parish would benefit directly from the service or activity provided by that organisation.

Grants will not be awarded to commercial organisations, political parties, or groups whose funds are redistributed by a central headquarters.

Grants and donations will only be awarded to organisations that have a proper constitution and/or a bank account in the organisation's name.

(this paragraph inserted 15.05.19)

An overall limit for the annual provision of grant aid will be determined as part of the budget setting process in November/January.
