IMPORTANT ROADWORKS INFORMATION

11 April 2025

Observatory Road, Brightling

Dear Resident / Business owner,

Balfour Beatty is working in partnership with East Sussex County Council to manage the highways service across East Sussex. We will soon be carrying out work on the drainage system in Observatory Road, Brightling.

When do they start?

Works will be carried out on **Thursday 15 May 2025** between 9am and 4pm. We will inform you of any changes to the dates or times via advanced warning signs on site.

What are we doing?

We will be completing CCTV surveys of the underground drainage system and using high-pressured water to clear the pipework.

How will this impact highway users?

We will be working between the junctions of Deer Park Road and Sheepshaw Lane.

Access will be restricted to residents while we are working, with traffic diverted via Deer Park Road, Sheepshaw Lane and vice versa.

If you need access, please approach the closure point and speak to the site team. This is for access only and there will be no through route. There may be a slight delay while we make it safe for you to pass, and your vehicle is escorted by site marshals. Access for emergency vehicles will be maintained at all times.

Information for residents and businesses

Parking: If required, we will put out 'no parking' signs and cones on the site to advise where parking is restricted. Please avoid parking in these locations as it will delay our works.

Weather: All of these works are subject to favourable weather conditions, for example heavy rain may affect the progress of the works.

Waste collection: Access will be granted for any waste collection.

Properties close to the carriageway may notice some noise, flashing lights, or reversing sirens. We will do our utmost to keep this to a minimum.

STAMP IT OUT
Putting A Foot Down Against Roadworker Abuse

We would like to take this opportunity to apologise in advance for any inconvenience or disruption this work may cause, however this forms part of our continuing improvement for the East Sussex highway network. Should you have any concerns regarding these works, you can contact us at eshcomms@balfourbeatty.com.

For information on roadworks and journey planning, visit www.One.Network.com. Please follow us on X (formerly Twitter) [@escroads](https://twitter.com/escroads) or Facebook [@EastSussexHighways](https://facebook.com/EastSussexHighways) for updates. If you would like to know more about East Sussex Highways and what we do, please visit our website www.eastsussexhighways.com.

Thank you,

East Sussex Highways
